HVAC Technician

Description

We manage a vast array of properties, from residential homes to large apartment buildings, all with the same goal: to create warm, welcoming, and comfortable spaces for our tenants. And for that, we need a talented HVAC Technician – someone just like YOU!

Are you experienced in heating, ventilation, and air conditioning systems? Do you have at least 3 years of experience installing, maintaining, and repairing HVAC systems? If so, we'd love to meet you.

Responsibilities

1. You'll be the superhero who ensures our properties' HVAC systems are running efficiently – providing our tenants with comfort all year round!
2. You'll troubleshoot and diagnose system issues, making repairs with expertise and precision.
3. You'll help us make smart decisions about preventive maintenance and system improvements – we trust your professional judgment!
4. Of course, you'll always prioritize safety, following all relevant policies and procedures.

Sounds exciting, right? Here's what you'll need to qualify for this opportunity:

Qualifications

1. At least 2 years of experience in HVAC installation, maintenance, or repairs.
2. A valid driver's license.
